February 11, 2022

The Loch Lomond Property Owners Association (LLPOA) needs you! The LLPOA is at its best when we work together to accomplish our shared goals. To that end, your LLPOA Board of Directors (Board) is working hard to put committees and teams in place to bring our community back together and we need your help to make that happen.

Here's an update on the committees and teams developed so far this year. Please reach out to any of the assigned Board members if you have any questions. The Board e-mails can be found at the top of this announcement.

Lease Negotiating Committee

By majority vote of the Board, a Lease Negotiating Committee has been adopted for 2022. The Lease Negotiating Committee members are the same as those elected to this committee last year: John Calonico (Chairman), Tom Murphy, Stacey Prather, and Jim Reidy. Director-at-Large, John O'Brien, will oversee this committee.

LLPOA Audit Committee

The Board is forming an Audit Committee to investigate and report on all matters relating to the recently announced misappropriation of LLPOA funds and recommend measures to assure the solvency of our Association going forward and restore members' faith in our Association and its Board. The Board will oversee this committee and asks that any member or member of his/her family that is interested in serving on this committee reach out to one of the Board members listed above. In order to allow the committee to be efficient and effective, the Board intends to limit the number of participants selected so please reach out right away if you are interested in participating on this committee. The Board hopes to announce the full make up of this committee by the end of this month.

Hospitality Team

The Board is creating a hospitality team to help plan dinners and other fun and enjoyable activities. Those interested in helping plan events such as sending out invitations, setting up and breaking down tables and chairs, coordinating a raffle and other tasks associated with LLPOA dinners and functions, this is the team for you.

The Board hopes to provide a tentative calendar of events as the planning gets underway and as we receive clarity and guidance from the County of Lake. This team is open to all members, associate members and members of their families. Vice-President, Mark Quilici, will lead this team.

LLPOA Membership Directory Team

The Board is forming a team to support the development and distribution of an LLPOA membership directory. We invite any member or member of his/her family with an interest in or experience with this type of project to join the team. Secretary, Charlene Crowley, and Treasurer, Lisa Biasotti, will lead this team. The Board hopes to announce this team's members at the end of March 2022.

Bryan Blake
LLPOA President
